Conversation: Immunology Post-Doc in Pittsburgh

A post doctoral position is available in viral immunology within the Center for Vaccine Research at the University of Pittsburgh. The successful applicant will study the role of dendritic cells in the pathogenesis of human immunodeficiency virus infection using the nonhuman primate/simian immunodeficiency virus model (PLoS Pathogens 5: e1000413, 2009). The position has an immediate start date and is for an initial period of two years. Please send curriculum vitae and names and contact information of three references to: **Dr. Simon Barratt-Boyes, 9046 Biomedical Science Tower 3, University of Pittsburgh, 3501 Fifth Avenue, Pittsburgh, PA 15261. Email: smbb@pitt.edu. Tel: 412 383 7537.**
