

Assistant/Associate/Full Professor In Residence
University of California - San Francisco
VACANCY NUMBER: M-2383

DESCRIPTION: Candidates must have demonstrated independent research experience in clinical and/or translational science in Breast Oncology. Selected individual will be a leader of the Breast Medical Oncology Group and will be responsible for maintaining and enhancing the robust clinical trial portfolio in the Breast Oncology Program.

REQUIREMENTS: Level of appointment will be commensurate with the qualifications of the applicant. Candidates should be ABIM certified or eligible in medical oncology.

SUBMIT: Curriculum vitae and the names of three references.

The University of California, San Francisco, is an affirmative action/equal opportunity employer. The University undertakes affirmative action to assure equal employment opportunity for underutilized minorities and women, for persons with disabilities, and for covered veterans. UCSF seeks candidates whose experience, teaching, research or community service has prepared them to contribute to our commitment to diversity and excellence.
